

The 21/22 season in full swing - amazing deals and shared chalets on 29th January and beyond...

With travel to France possible again, we have amazing deals available on 29th January and beyond. Since the news of the reopening, bookings have of course shot up and chalets are selling out fast.

We have also opened up a select few chalets to be bookable room by room. Giving smaller groups the chance to enjoy the catered chalet experience. These shared chalets are **CALL TO BOOK ONLY**, so simply give us a call and chat to one of our ski specialists.

Another bonus for those looking to travel - the testing requirements have been greatly reduced, making preparation simpler and costs cheaper, especially for those travelling with children.

We have updated our [COVID hub](#), outlining the rules for travel to our destination countries and back to the UK.

The following is a selection of our properties still available for the 2021/22 season, from our [Last Minute Ski Holidays](#) page.
