Find out more about the ski areas?

Banff Sunshine has a 7-month season from early November until late May, receiving up to nine metres (30 feet) of snow in a season. The Village has an altitude of 7,200 feet, so the snow stays light and dry.

Lake Louise is one of the largest ski resorts in North America. This area is perfect for families and groups of all abilities due to the varied runs from every chair. Be sure to take a camera – this resort is very picturesque, with lakes, forests and glaciers.

Mt. Norquay is a local's favourite. It is known for being a training ground for Olympic and World Cup athletes, night skiing and having diverse terrain, excellent for all levels of skiers and boarders.
